IMPORTANT NOTICE - READ CAREFULLY BEFORE YOU TRAVEL

You now benefit from a travel insurance policy - what's next? We want you to understand (and it is in your best interests to know) what your policy includes, what it excludes, and what is limited (payable but with limits). Please take time to read through your policy (certificate of insurance and welcome letter) before you travel. ***Bolded and/or italicized terms are defined in your certificate.***

- Travel insurance covers claims arising from sudden and unexpected situations (i.e.: accidents and emergencies) and typically not follow-up or recurrent care.
- To qualify for this insurance, you must meet all the eligibility requirements.
- This insurance contains limitations and/or exclusions (e.g.: medical conditions that are not stable, pregnancy, child born on ***Trip***, excessive use of alcohol, high risk activities).
- This insurance may not cover claims related to pre-existing medical conditions, whether disclosed or not at time of policy purchase.
- Contact ***Assistance Service*** before seeking treatment or your benefits may be limited or denied.
- In the event of a claim your prior medical history may be reviewed.
- If you have been asked to complete a medical questionnaire and any of your answers are not accurate or complete, your policy will be voidable.

IT IS YOUR RESPONSIBILITY TO UNDERSTAND YOUR COVERAGE. IF YOU HAVE QUESTIONS, CALL 1-800-252-1846.

Benefit payment:

This certificate contains provisions removing or restricting the right of the Insured Person to designate persons to whom or for whose benefit money is to be payable. This means that under the Group Policy, neither you nor any Insured Person has the right to choose a beneficiary who will receive any benefits payable under this certificate.

The payment of benefits will be made after analysis of relevant statements and information. Benefits are payable to the **Primary Cardholder**. If the **Primary Cardholder** is deceased, payment will be made to his legal heirs.

All money payable under this certificate, other than benefits for loss of time, shall be paid by the **Insurer** within 60 days after it has received proof of claim.

Coordination of benefits:

The benefits payable under this certificate are reduced, according to the payment order described below, so that when added to those provided by any other insurance plan (private or public), they do not exceed the costs incurred.

The expenses insured by another insurance plan include the fees that would have been payable if a submission of claim was made to the other **Insurer**, as if it was the only **Insurer** of the **Insured Person**.

The order of payments is as follows:

- a) An insurance plan that does not have a coordination of benefits provision becomes the first payer of the **Insured Person**;
- b) Where the priority of payment cannot be established from (a) above, the benefits shall be prorated among the insurance plans, based on the amounts that each plan would have paid.

Restriction :

The benefits provided by this travel insurance only cover excess expenses that are not covered by another insurance contract, by law, or by a public insurance plan. The payable benefits from all sources cannot exceed the amount of expenses actually incurred by the **Insured Person**. Benefits will be calculated in accordance with the rules outlined by the Canadian Life and Health Insurance Association.

Subrogation :

The **Insurer** automatically acquires the **Insured Person's** right of legal action against the perpetrator of the damages (natural or legal person), up to the amount of benefits it paid out. The **Insurer** may, at its own expense, sue on behalf of the **Insured Person**.

The **Insured Person** must sign the necessary documents to this end and do all that is required in order to protect his rights.

Right of examination:

The **Insurer** reserves the right to have the **Insured Person** examined by a **Physician** of its choosing when a claim is submitted under the benefits for hospital, medical and paramedical care and services insurance, trip cancellation insurance and public transportation vehicle accident insurance.

The **Insurer** reserves the right to see the property and goods to assess the purchases and to require, at its own expense, a property valuation with respect to a claim under the baggage delay insurance benefit.

6. INSURER TO FURNISH FORMS FOR PROOF OF CLAIM

The **Insurer** shall furnish forms for proof of claim within 15 days after receiving notice of claim. Where the **Insured Person** has not received the forms within that time, he may submit his proof of claim in the form of a written statement of the cause or nature of the **Accident**, sickness or disability giving rise to the claim and of the extent of the loss.

7. POLICY REVIEW

The **Cardholder** may consult the group insurance policy at the head office of the **Contract Holder** during business hours. He may also obtain a copy at his own expense.

8. CONTRACT

The policy, appendices, endorsements, certificate, welcome letter and application form (if applicable) constitute the insurance contract and no agent has authority to change the contract or waive any of its provisions.

The **Insurer** must inform the **Contract Holder**, by means of a written notice sent at least 90 days in advance, of any modification it makes to the contract.

9. NOTICE REGARDING THE ESTABLISHMENT OF A PERSONAL INFORMATION FILE

The personal information that the **Insurer** has or will have about the **Insured Person** is treated as confidential.

Insured Persons may access their file and have it rectified if they prove that the information is incorrect, incomplete, ambiguous, out of date or not necessary. To do so, they must submit a written request to those responsible for information at the **Insurer's** head office.

10. AUTHORIZATION FOR THE COLLECTION AND DISCLOSURE OF PERSONAL INFORMATION TO THIRD PARTIES

Unless he notifies the **Insurer** to the contrary in writing, the **Insured Person** expressly authorizes the Laurentian Bank and any third party using its database to provide the **Insurer**, its reinsurers, or third-party administrators, with anything deemed necessary to manage the insurance contract. In the event of death, the **Insured Person** authorizes his beneficiaries, heirs or liquidators to provide the **Insurer** and its reinsurers with all information and authorizations deemed necessary to assess claims and obtain supporting documents.

If notice is given to revoke this authorization, this insurance will terminate automatically.

This authorization also applies to the collection, use and communication of personal information regarding minors insured under the insurance contract.

11. LAWFUL CURRENCY

All dollar amounts shown in this certificate are in Canadian currency.

Any payment to the **Primary Cardholder** is made in Canadian currency based on the exchange rate in effect at the time of payment.

12. CONDITIONAL ASSIGNMENT

The rights conferred by this certificate cannot be put under conditional assignment.

13. LIMITATION ON LEGAL ACTIONS

No action or proceeding against the **Insurer** shall be commenced within the first 60 Days following the date on which written proof of claim is provided to the **Insurer** in accordance with all of the terms and conditions of this certificate.

Every action or proceeding against an **Insurer** for the recovery of insurance money payable under this contract is absolutely barred unless commenced within the time set out in the

Insurance Act, or other similar applicable legislation (e.g. Limitations Act, 2002 [Ontario]; Civil Code of Quebec) in the Participant's province or territory.

14. WAIVER

Notwithstanding anything to the contrary, no provision of this certificate shall be deemed to have been waived, either in whole or in part, unless the waiver is clearly stated in writing and signed by the **Insurer**.

15. MATERIAL FACTS

No statement made by the **Insured Person** at the time of application for the contract may be used in defence of a claim under or to avoid the contract unless it is contained in the application or any other written statements or answers furnished as evidence of insurability.

16. CONFLICT

Any provision of this certificate, which is in conflict with any federal, provincial or territorial law of the **Insured Person's** place of residence, is hereby amended to conform to the minimum requirements of that law.

17. COMPLAINT

The **Insured Person** who wishes to review the **Insurer's** complaint policy or file a complaint may do so by visiting: <https://ia.ca/corporate/complaint/file-complaint>

19. ELIGIBILITY CONDITIONS SPECIFIC TO THIS BENEFIT

The **Cardholder** and his **Spouse** become automatically eligible for coverage when traveling outside of their **Province of Residence**. Their **Dependent Children** are also eligible if they accompany the **Cardholder** or **Spouse** throughout the **Trip** when traveling outside of their **Province of Residence**.

Reimbursement of eligible expenses is limited to expenses that are not payable by a government agency or any other private insurance plan, up to a maximum of \$5,000,000 per **Insured Person**.

Following this **Illness** or **Accident**, the actual, reasonable and necessary hospital, medical and paramedical care and services provided outside the **Province of Residence** of the **Insured Person** are covered during the insurance period and as long as the **Insured Person** is hospitalized, if his medical condition does not allow him to be repatriated to his **Province of Residence**.

22. ELIGIBLE CARE AND SERVICES

To be considered eligible for the hospital, medical and paramedical care and services as described in the following paragraphs, you must call the **Assistance Service** before obtaining emergency treatment, so that we may:

- Confirm coverage
- Provide pre-approval of treatment

If it is medically impossible for you to call prior to obtaining emergency treatment, we ask you to call as soon as possible or have someone call on your behalf. Otherwise, if you do not call the **Assistance Service** before you obtain emergency treatment, you will be responsible for all of your medical expenses covered under this insurance.

The eligible expenses are those declared necessary to stabilize the medical condition as mentioned in this benefit. - b) Repatriation of the **Insured Person** to his place of residence by means of a **Public Transportation Vehicle** to receive appropriate care (medical consultation, examination, treatment or surgery) as soon as his medical condition allows it, and insofar as the means of transportation initially planned for the return cannot be used;

PURCHASE INSURANCE

22. INSURABLE RISK

This insurance automatically protects without declaration most movable assets purchased by the **Cardholder** with the **Laurentian Bank Visa Card** against all risks of direct loss or damage, on the condition that they are not covered elsewhere. The insurance is effective for 90 days from the date of purchase, anywhere in the world. It is up to the **Insurer** to decide whether to repair, replace or reimburse the purchase price of an item that was lost stolen or damaged to the **Cardholder**.

23. EXCLUSION AND LIMITATIONS

The warranty applies only to the extent that the affected items are not otherwise covered. It does not cover:

- a) Traveller's cheques, cash (bank notes or coin), notes, tickets, negotiable items or other numismatic goods;
- b) Natural Animals or plants;
- c) Goods purchased by mail order, as long as the **Cardholder** has not received and accepted them;
- d) Golf balls;
- e) Motor vehicles, motor boats, airplane, motorcycles, scooters, plows, motor lawn mowers, golf carts, garden tractors and other motorized vehicles (except miniature electric vehicles for children) and their parts or accessories;
- f) Damage to sports equipment resulting from its use.

It does not apply either to the loss or theft of jewellery in luggage except in the case of carry-ons that were kept under the direct supervision of the **Cardholder** or of his travel companion (with the consent of the **Cardholder**).

It excludes loss or damage caused by fraud, misuse, abuse, manufacturing defects, hostile behaviors of any kind (including war, invasion, civil unrest and insurrection), seizure by the authorities, risks involved in smuggling, illegal activities, normal wear, floods, earthquakes, contamination by any radioactive substance, **Mysterious Disappearance** or manufacturing defects.

Items given as gifts by the **Cardholder** are covered, however any claims must be made by the **Cardholder**, not by the recipient of the gift.

Indirect damages and attorney's fees are not covered.

24. BENEFITS LIMITATIONS

In the event of a claim, the **Cardholder** is entitled to compensation not exceeding the purchase price or the fraction of the purchase price of the insured item appearing on the **Laurentian Bank Visa Card Account** statement. When the loss concerns an item that is part of a set, you will receive no more than the value of that item regardless of any special value the item may have as part of the purchase price of the set.

The **Insurer** may at its discretion:

- a) Repair, rebuild or replace the lost or damaged item (in whole or in part), provided that the **Cardholder** is informed of its intention within **30 days** of receipt of the appropriate claim;
- b) Provide a cash settlement up to the purchase price of the item in question, subject to the exclusions, conditions and restrictions of warranties stipulated in this contract.

25. LIMIT OF LIABILITY OF THE INSURER

This coverage offers a lifetime maximum benefit of \$60,000 per **Account** and/or per **Cardholder**.

26. OTHER INSURANCE

If the **Cardholder** is covered both under this insurance and another insurance of any type, that both cover the claim, the Purchase insurance will only come into play to compensate for the possible insufficiency of the other insurance and any applicable deductible, and only once said insurance has been exhausted. This is subject to exclusions, conditions and restrictions of the benefit stipulated in the contract. In no case may the insurance be contributing, notwithstanding any similar provision found in the other contracts.

EXTENDED WARRANTY BENEFIT

27. INSURABLE RISK

Extended warranty is granted when the **Cardholder** fully charges to his **Account** the price of the covered Items whose warranties are valid in Canada.

If the warranty is 5 years or less, this insurance automatically doubles the warranty period offered by the original manufacturer, up to a maximum of one full year, and without requiring a prior declaration, under the terms of its warranty (excluding any extension offered by the manufacturer or else). This benefit applies to most new items purchased with the **Laurentian Bank Visa Card** anywhere in the world, provided that the manufacturer's warranty is valid in Canada.

If the item has a warranty of 5 years or more from the manufacturer, the **Cardholder** must register the purchased item with the **Insurer** before the manufacturer's warranty expires by sending the vendor sales receipt (if available), a copy of the **Laurentian Bank Visa Card**

Account statement, the item's serial number if it is known, the original manufacturer's warranty valid in Canada and designation of the item to the following address:

Claims department

1981 McGill College Ave., suite 105
Montreal, QC H3A 0H6

28. EXCLUSIONS AND LIMITATIONS

The extended warranty ends automatically on the date the manufacturer ceases to carry on business for any reason whatsoever.

The extended warranty does not cover the following:

- a) Used items;
- b) Motor vehicles, motor boats, airplanes, motorcycles, scooters, plows, motor lawn mowers, golf carts, garden tractors and other motorized vehicles (except miniature electric vehicles for children) and their parts or accessories.

The extension applies only to the cost of parts and/or labor resulting from mechanical breakdown or defects in the insured item or from any other event specifically covered under the original manufacturer's warranty valid in Canada.

Items given as gifts by the **Cardholder** are however covered, but any claims must be made by the **Cardholder**, not by the recipient of the gift.

Bodily harm, property damage, indirect damages, punitive damages, exemplary damages and attorney's fees are not covered.

29. OTHER INSURANCE

If the **Cardholder** is covered both under this insurance and another insurance of any type, that both cover the claim, the Purchase insurance will only come into play to compensate for the possible insufficiency of the other insurance and any applicable deductible, and only once said insurance has been exhausted. This is subject to exclusions, conditions and restrictions of the benefit stipulated in the contract. In no case may the insurance be contributing, notwithstanding any similar provision found in the other contracts.

For Insureds OUTSIDE OF QUEBEC ONLY

The following clauses are added to this Certificate.

30. ADDITIONAL STATUTORY REQUIREMENTS

These conditions govern all policies in all Provinces except Quebec and we are legally required to attach them to this certificate. However, in some cases the **Insurer** has waived the requirement of some of these provisions so that all conditions in your favour remain intact.

31. ACTION OR PROCEEDING AGAINST AN INSURER

Every action or proceeding against an **Insurer** for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Insurance Act*.

The following Statutory Conditions are also added to this certificate

32. MISREPRESENTATION

If a person applying for insurance falsely describes the property to the prejudice of the **Insurer** or misrepresents or fraudulently omits to communicate any circumstance that is material to be made known to the **Insurer** in order to enable it to judge the risk to be undertaken, the contract is void as to any property in relation to which the misrepresentation or omission is material.

33. PROPERTY OF OTHERS

The **Insurer** is not liable for loss or damage to property owned by a person other than the insured unless:

- a) Otherwise specifically stated in the contract; or

 - i. Terminate the contract in accordance with the Statutory Condition 36.; or

- a) By the **Insurer** sending to the **Insured Person** a 15 days' notice of termination by registered mail or by personally delivering a 5 days' written notice of termination; or
- b) By the **Insured Person** at any time on request;
- c) If the contract is terminated by the **Insurer**:

- i. The **Insurer** must refund the excess of premium actually paid by the **Insured Person** over the prorated premium for the expired time, but in no event may the prorated premium for the expired time be less than any minimum retained premium specified in this certificate; and
 - ii. The refund must accompany the notice unless the premium is subject to adjustment or determination as to amount, in which case the refund must be made as soon as practicable.
- d) If the contract is terminated by the **Insured Person**, the **Insurer** must refund as soon as practicable the excess of premium actually paid by the insured over the short rate premium for the expired time specified in this certificate, but in no event may the short rate premium for the expired time be less than any minimum retained premium specified in this certificate;
- e) The 15 day period referred to in subparagraph a) of this section is effective from the day the registered mail is delivered to the insured person's postal address or when the tracking delivery notification is received.

37. REQUIREMENTS AFTER LOSS

- i. Immediately give notice in writing to the **Insurer**;
 - ii. Deliver as soon as practicable to the **Insurer** a proof of loss in respect of the loss or damage to the insured property verified by statutory declaration:
 - o by giving a complete inventory of that property and showing in detail quantities and costs of that property and particulars of the amount of loss claimed;
 - o by stating when and how the loss occurred, and if caused by fire or explosion due to ignition, how the fire or explosion originated, so far as the **Insured Person** knows or believes;
 - o by stating that the loss did not occur through any willful act or neglect or the procurement, means or connivance of the **Insured Person**;

Any fraud or willfully false statement in a statutory declaration in relation to the particular required under Statutory Condition 37. invalidates the claim of the person who made the declaration.

Notice of loss under Statutory Condition 37. a) i. may be given and the proof of loss under Statutory Condition 37. a) ii. may be made:

- a) By the agent of the **Insured Person** if:

40. SALVAGE

- a) In the event of loss or damage to **Insured Person** property, the **Insured Person** must take all reasonable steps to prevent further loss or damage to that property and to prevent loss or damage to other property insured under the contract. - b) A further right of access and entry by accredited representatives sufficient to enable them to appraise or estimate the loss or damage, after the **Insured Person** has secured the property; but
 - i. Without the **Insured Person's** consent, the **Insurer** is not entitled to the control or possession of the insured property; and

- ii. Without the **Insurer's** consent, there can be no abandonment to it of the insured property.

42. IN CASE OF DISAGREEMENT

- a) In the event of disagreement as to the value of the **Insured Person's** property, the value of the property saved, the nature and extent of the repairs or replacements required or, if made, their adequacy, or the amount of the loss or damage, those questions must be determined using the applicable dispute resolution process set out in the *Insurance Act* whether or not the **Insured Person's** right to recover under the contract is disputed, and independently of all other questions;
- b) There is no right to a dispute resolution process under this section until;
 - i. A specific demand is made for it in writing; and
 - ii. The proof of loss has been delivered to the **Insurer**.

Under normal circumstances, the claim will be paid within 15 days after the claim's administrator has received all necessary documentation. If the claim cannot be assessed on the basis of the information that has been provided, it will be closed.

After the Company has paid Your claim, Your rights and recoveries will be transferred to the Company to the extent of the Company's payment for the loss / damage incurred when the rental vehicle was Your responsibility. This means the Company will then be entitled, at its own expense, to sue in Your name. If the Company chooses to sue another party in Your name, You must give the Company all the assistance the Company may reasonably require to secure its rights and remedies. This may include providing Your signature on all necessary documents that enable the Company to sue in Your name.

Once You report damage, loss or theft, a claim file will be opened and will remain open for six (6) months from the date of the damage or theft. Payment will only be made on a claim or any part of a claim that is completely substantiated as required by the claim's administrator within six (6) months of the date of loss / damage.

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Insurance Act (or other applicable legislation) in Your Province of residence.

You should use due diligence and do all things necessary to avoid or reduce any loss or damage to property protected by this Visa Collision / Loss Damage Insurance.

If You make a claim knowing it to be false or fraudulent in any respect, You will not be entitled to the benefits of this protection, nor to the payment of any claim made under this Policy.

HELPFUL HINTS

Before You rent a vehicle, find out if You are required to provide a deposit if You wish to decline the Rental Agency's CDW. If possible, select a Rental Agency which provides an excellent rate AND allows You to decline the CDW without having to make a deposit.

Rental Agencies in some countries may resist Your declining their CDW coverage. These Rental Agencies may try to encourage You to take their coverage or to provide a deposit. If You experience difficulty using Your Visa CLD Insurance coverage, please call 877-757-7971 (international toll free) or 416-649-6444 (local) and provide:

- › The name of the Rental Agency involved
- › The Rental Agency's address
- › The date of the rental
- › The name of the Rental Agency representative with whom You spoke, and Your rental contract number

The Rental Agency will then be contacted and acquainted with the Visa CLD Insurance coverage.

In certain locations, the law requires that rental agencies provide Collision Damage Coverage in the price of the vehicle rental. In these locations (and in Costa Rica or elsewhere where Cardholders may be required to accept CDW), the Visa CLD Insurance will provide coverage for any required deductible provided that all the procedures outlined in the certificate are followed and the Rental Agency's Deductible Waiver has been declined on the rental contract.

You will not be compensated for any payment You may have made to obtain the Rental Agency's CDW. Check the rental vehicle carefully for scratches or dents before and after You drive the vehicle. Be sure to point out where the scratches or dents are located to a Rental Agency representative.

If the vehicle has sustained damage of any kind, immediately phone one of the numbers provided and do not sign a blank sales draft to cover the damage and Loss of Use charges or, a sales draft with an estimated cost of repair and Loss of Use charges. The rental agent may make a claim on Your behalf to recover repair and Loss of Use charges by following the procedures outlined in the section **"In the Event of an Accident / Theft"**.
