

A new Laurentian Bank Credit Card Rewards Program is now available

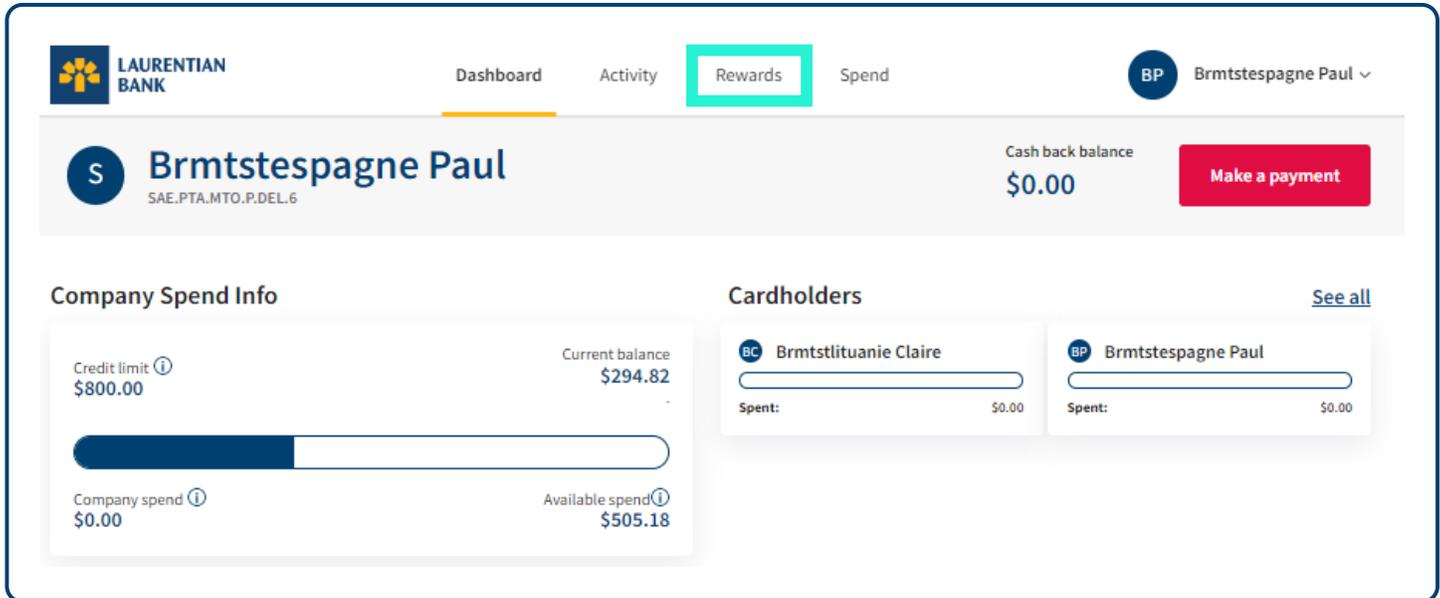

In addition to enhanced digital functionalities, your new Laurentian Bank credit card includes an improved Laurentian Rewards Program.¹ Whether you have a Business Rewards or Business Cashback card, all Cardholders have access to the Laurentian Bank Rewards Program.

Like before, rewards earned will convert to cashback at the end of the month, but this new experience gives you access to unique offers from hundreds of brands! New merchant partners are onboarded regularly with offers that are both global and local in scale that enhance your rewards.

All Cardholders can earn company rewards throughout the cycle. These rewards will be automatically applied to the Account Balance on each statement.
