- (a) shall have been directed to do so by an Extraordinary Resolution of all the Holders of the Covered Bonds of all Series (with the Covered Bonds of all

Series taken together as a single Series as provided in Condition 7.03) or requested to do so in writing by the holders of not less than 25% in aggregate Principal Amount Outstanding of the Covered Bonds of all Series (taken together and converted into CAD at the rate specified in the applicable Final Terms in accordance with Condition 7.03) then outstanding; and

- (b) shall have been indemnified and/or secured to its satisfaction against all Liabilities to which it may thereby render itself liable and all Liabilities which it may incur by so doing and the terms of such indemnity may include the provision of a fighting fund, non-recourse loan or other similar arrangement.

Section 4.05 Mandatory Other Action.

The Bond Trustee shall not be bound to take any other steps (other than the steps referred to in Section 4.04 above) under or pursuant to this Agreement or any of the other Transaction Documents unless the Bond Trustee shall have been directed to do so by an Extraordinary Resolution of the Holders of Covered Bonds of the relevant one or more Series (with Covered Bonds of such Series taken together as a single Series (if more than one Series) and converted, if applicable, into CAD at the rate specified in the applicable Final Terms) or requested to do so in writing by the holders of not less than 25% in aggregate Principal Amount Outstanding of the Covered Bonds then outstanding of the relevant one or more Series (taken together and converted in to CAD as aforesaid); and shall have been indemnified and/or secured to its satisfaction as aforesaid.

Section 4.06 Disposal of Collateral.

Notwithstanding the other provisions of this Article 4, if the Security has become enforceable otherwise than by reason of a default in payment of any amount due on the Covered Bonds, the Bond Trustee will not be entitled to dispose of any of the Collateral unless either a sufficient amount would be realised to allow discharge in full of all amounts owing to the Holders of Covered Bonds or the Bond Trustee is of the sole opinion, which shall be binding on the Bond Trustee, reached after considering at any time and from time to time the advice of any financial adviser (or such other professional advisers reasonably selected by the Bond Trustee for the purpose of giving such advice), that the cash flow prospectively receivable by the Guarantor will not (or that there is a significant risk that it will not) be sufficient, having regard to any other relevant actual, contingent or prospective liabilities of the Guarantor, to discharge in full in due course all amounts owing to the Holders of Covered Bonds. The fees and expenses of the aforementioned financial adviser or other professional adviser selected by the Bond Trustee shall be paid by the Guarantor.

Section 4.07 **Payment of Monies After Service of a Guarantor Acceleration Notice.**

(1) From and including the time when the Bond Trustee serves a Guarantor Acceleration Notice on the Guarantor, no amount may be withdrawn from the Guarantor Accounts without the prior written consent of the Bond Trustee.

(2) Any and all moneys received or recovered (excluding all amounts due or to become due in respect of any Third Party Amounts) by the Bond Trustee (or a receiver appointed on its behalf in accordance with this Agreement) following the service of a Guarantor Acceleration Notice and enforcement of the Security, shall be held by it in the Guarantor Accounts in trust to be applied by the Bond Trustee (or a receiver appointed on its behalf in accordance with this Agreement) in accordance with Schedule "C" (the "**Post-Enforcement Priority of Payments**") (in each case only if and to the extent that payments or provisions of a higher priority have been made in full).

Section 4.08 **Remedies.**

Whenever the Security has become enforceable, the Bond Trustee may realize upon the Collateral and enforce the rights of the Bond Trustee and the other Secured Creditors by:

- (a) entry onto any premises where Collateral consisting of tangible personal property may be located;
- (b) entry into possession of the Collateral by any method permitted by law;
- (c) sale or lease of all or any part of the Collateral;
- (d) collection of any proceeds arising in respect of the Collateral;
- (e) collection, realization or sale of, or other dealing with, the accounts;
- (f) appointment by instrument in writing of a receiver (which term as used in this Agreement includes a receiver and manager) or agent of all or any part of the Collateral and removal or replacement from time to time of any receiver or agent;
- (g) institution of proceedings in any court of competent jurisdiction for the appointment of a receiver of all or any part of the Collateral;
- (h) institution of proceedings in any court of competent jurisdiction for sale or foreclosure of all or any part of the Collateral;
- (i) filing of proofs of claim and other documents to establish claims to the Collateral in any proceeding relating to the Guarantor; and
- (j) any other remedy or proceeding authorized or permitted under the PPSA (or any other applicable statute) or otherwise by law or equity.

Such remedies may be exercised from time to time separately or in combination and are in addition to, and not in substitution for, any other rights of the Bond Trustee however created. The Bond Trustee shall not be bound to exercise any right or remedy, and the exercise of rights and remedies shall be without prejudice to any other rights of the Bond Trustee in respect of the Obligations including the right to claim for any deficiency. The taking of any action or proceeding or refraining from doing so, or any other dealings with any other security for the Obligations secured by this Agreement shall not release or affect the Collateral or the Security.

Section 4.09 **Additional Rights.**

- (1) In addition to the remedies set forth in Section 4.08, the Bond Trustee may, whenever the Security has become enforceable:
- (a) require the Guarantor, at the Guarantor's expense, to assemble the Collateral at a place or places designated by notice in writing and the Guarantor agrees to so assemble the Collateral;
 - (b) require the Guarantor, by notice in writing, to disclose to the Bond Trustee the location or locations of the Collateral and the Guarantor agrees to make such disclosure when so required;
 - (c) repair, process, modify, complete or otherwise deal with the Collateral and prepare for the disposition of the Collateral, whether on the premises of the Guarantor or otherwise;
 - (d) carry on all or any part of the business of the Guarantor and, to the exclusion of all others including the Guarantor, enter upon, occupy and use all or any of the premises, buildings, and other property of or used by the Guarantor for such time as the Bond Trustee sees fit, free of charge, and the Bond Trustee shall not be liable to the Guarantor for any act, omission or negligence in so doing or for any rent, charges, depreciation or damages incurred in connection with or resulting from such action;
 - (e) exercise all voting rights attached to the Pledged Securities (whether or not registered in the name of the Bond Trustee or its nominee) and give or withhold all consents, waivers and ratifications in respect thereof, collect and receive dividends and other distributions relating thereto and otherwise act with respect thereto as though it were the absolute owner thereof;
 - (f) deal with any security entitlements, securities accounts and securities intermediaries holding security entitlements as if it were the entitlement holder thereof including making such entitlement orders as it deems appropriate and instructing any such securities intermediary to transfer the securities accounts held in any Controlled Securities Accounts into an account in the name of the Bond Trustee or as it may direct;

- (g) exercise any and all rights of redemption, conversion, exchange, sale, subscription or any other rights, privileges or options pertaining to any of the Pledged Securities as if it were the absolute owner thereof including, without limitation, the right to exchange at its discretion any and all of the Pledged Securities upon the merger, consolidation, reorganization, recapitalization or other readjustment of any issuer thereof, or upon the exercise by any issuer of any right, privilege or option pertaining to any of the Pledged Securities, and in connection therewith, to deposit and deliver or direct the sale or other disposition of any of the Pledged Securities with any committee, depository, Securities Intermediary, clearing house, transfer agent, registrar or other designated agency upon such terms and conditions as it may determine, all without liability except to account for property actually received by it;
- (h) borrow for the purpose of carrying on the business of the Guarantor or for the maintenance, preservation or protection of the Collateral and mortgage, grant or charge a security interest in the Collateral, whether or not in priority to the Security, to secure repayment; and
- (i) commence, continue or defend any judicial or administrative proceedings for the purpose of protecting, seizing, collecting, realizing or obtaining possession or payment of the Collateral, and give good and valid receipts and discharges in respect of the Collateral and compromise or give time for the payment or performance of all or any part of the accounts or any other obligation of any third party to the Guarantor.

(2) The Bond Trustee shall have the power to insure against any liabilities or obligations arising:

- (a) as a result of the Bond Trustee acting or failing to act in a certain way (other than which may arise from its negligence or wilful default or that of its officers or employees);
- (b) as a result of any act or failure to act by any person or persons to whom the Bond Trustee has delegated any of its trusts, rights, powers, duties, authorities or discretions, or appointed as its agent (other than which may arise from such person's negligence, fraud and/or wilful default);
- (c) in connection with the Collateral; or
- (d) in connection with or arising from the enforcement of the Security created by or pursuant to this Agreement.

The Bond Trustee shall not be under any obligation to insure in respect of such liabilities and/or obligations or to require any other person to maintain insurance, but to the extent that it does so, the Guarantor shall quarterly and on written request pay all insurance premiums and expenses

which the Bond Trustee may properly incur in relation to such insurance. If the Guarantor fails to pay such premiums or expenses or to reimburse the Bond Trustee therefor, the Bond Trustee shall be entitled to be indemnified out of the Collateral in respect thereof and, where a Guarantor Acceleration Notice has been served, the indemnification of the Bond Trustee in respect of all such insurance premiums and expenses shall be payable in priority to payments to the Holders of the Covered Bonds and all other Secured Creditors and otherwise in accordance with this Agreement.

Section 4.10 Enforcement When Not All Amounts Due and Payable.

If the Bond Trustee enforces the Security at a time when either no amounts or not all amounts owing in respect of the Obligations have become due and payable, the Bond Trustee (or a receiver appointed by it in accordance with this Agreement) may, for so long as no such amounts or not all such amounts have become due and payable, pay any monies referred to in Section 4.07 into, and retain such monies in, an interest-bearing account (a “**Retention Account**”) to be held by it as security and applied by it in accordance with Section 4.07 as and when any of the amounts referred to therein become due and payable.

Section 4.11 Concerning the Receiver.

(1) Any receiver appointed by the Bond Trustee shall be vested with the rights and remedies which could have been exercised by the Bond Trustee in respect of the Guarantor or the Collateral and such other powers and discretions as are granted in the instrument of appointment and any supplemental instruments. The identity of the receiver, its replacement and its remuneration shall be within the sole and unfettered discretion of the Bond Trustee.

(2) Any receiver appointed by the Bond Trustee shall act as agent for the Bond Trustee for the purposes of taking possession of the Collateral, but otherwise and for all other purposes (except as provided below), as agent for the Guarantor. The receiver may sell, lease, or otherwise dispose of Collateral as agent for the Guarantor or as agent for the Bond Trustee as the Bond Trustee may determine in its discretion. The Guarantor agrees to ratify and confirm all actions of the receiver acting as agent for the Guarantor, and to release and indemnify the receiver in respect of all such actions.

(3) The Bond Trustee, in appointing or refraining from appointing any receiver, shall not incur liability to the receiver, the Guarantor or otherwise and shall not be responsible for any misconduct or negligence of such receiver.

Section 4.12 Power of Attorney and Hypothecary Representative.

(1) The Guarantor irrevocably appoints the Bond Trustee (and any of its officers) as attorney of the Guarantor (with full power of substitution) with effect whenever the Security has become enforceable, to do, make and execute, in the name of and on behalf of the Guarantor, all such further acts, documents, matters and things which the Bond Trustee may deem necessary or advisable to accomplish the purposes of this Agreement including the execution, endorsement and delivery of documents and any notices, receipts, assignments or verifications of the accounts

and the delivery and transfer of any Collateral to the Bond Trustee or to its nominees or transferees. Whenever the Security has become enforceable, the Bond Trustee or its nominees and transferees are empowered to exercise all rights and powers and to perform all acts of ownership with respect to the Collateral that constitutes Pledged Securities to the same extent as the Guarantor might do. The power of attorney herein granted is in addition to, and not in substitution for any transfer power of attorney delivered by the Guarantor and such power of attorney may be relied upon by the Bond Trustee severally or in combination. All acts of the attorney are ratified and approved, and the attorney shall not be liable for any act, failure to act or any other matter or thing, except for its own gross negligence or wilful misconduct. This power of attorney is coupled with an interest and is irrevocable.

(2) The Bond Trustee is hereby appointed and accepts its appointment as hypothecary representative of the Secured Creditors as contemplated by article 2692 of the *Civil Code of Québec* to enter into, to take and to hold, on behalf of and for the benefit of each of the Secured Creditors any hypothec granted on the Charged Property pursuant to the laws of the Province of Québec, and to exercise such powers and duties that are conferred upon the Bond Trustee under any deed of hypothec, this Agreement or the other Transaction Documents. Any Person who becomes a Secured Creditor shall be deemed to have consented to confirm the Bond Trustee as hypothecary representative and to have ratified as of the date such Person becomes a Secured Creditor all actions taken by the hypothecary representative. The execution by the Bond Trustee, acting as hypothecary representative, prior to the execution of this Agreement of any deeds of hypothec, is hereby ratified and confirmed.

Section 4.13 Dealing with the Collateral.

(1) The Bond Trustee shall not be obliged to exhaust its recourse against the Guarantor or any other Person or against any other security it may hold in respect of the Obligations before realizing upon or otherwise dealing with the Collateral in such manner as the Bond Trustee may consider desirable. Neither the taking of any judgement nor the exercise of any power of seizure or sale shall extinguish the liability of the Guarantor to pay the Obligations, nor shall the same operate as a merger of any covenant contained in this Agreement or of any other liability, nor shall the acceptance of any payment or other security constitute or create a novation.

(2) The Bond Trustee may grant extensions or other indulgences, take and give up securities, accept compositions, grant releases and discharges and otherwise deal with the Guarantor and with other Persons, sureties or securities as it may see fit without prejudice to the Obligations, the liability of the Guarantor or the rights of the Bond Trustee in respect of the Collateral.

(3) The Bond Trustee shall not be (i) liable or accountable for any failure to collect, realize or obtain payment in respect of the Collateral, (ii) bound to institute proceedings for the purpose of collecting, enforcing, realizing or obtaining payment of the Collateral or for the purpose of preserving any rights of any Persons in respect of the Collateral, (iii) responsible for any loss occasioned by any sale or other dealing with the Collateral or by the retention of or

failure to sell or otherwise deal with the Collateral, or (iv) bound to protect the Collateral from depreciating in value or becoming worthless.

(4) The Guarantor shall not assert and hereby waives (to the fullest extent permitted by applicable law), all of the rights, benefits and protections given by any present or future statute that imposes limitations on the rights, powers or remedies of a secured party or on the methods of, or procedures for, realization of security, including any “seize or sue” or “anti-deficiency” statute or any similar provision of any other statute.

Section 4.14 **Indemnity.**

The Guarantor agrees to indemnify in full (but only following service of an Issuer Acceleration Notice on the Issuer and service of a Notice to Pay on the Guarantor) the Bond Trustee and any receiver appointed in accordance with this Agreement from and against all losses, actions, claims, costs (including legal costs and travel expenses), charges and expenses (including insurance premiums), demands and liabilities whether in contract, tort or otherwise now or hereafter properly sustained or incurred by the Bond Trustee or such receiver and its respective officers and employees or by any person for whose liability, act or omission the Bond Trustee or such receiver may be answerable, in connection with anything done or omitted to be done under or pursuant to this Agreement or any other Transaction Document to which such entity is a party, or in the exercise or purported exercise of the powers herein contained, or occasioned by any breach by the Guarantor of any of its covenants or other obligations to the Bond Trustee, or in consequence of any payment in respect of the Obligations (whether made by the Guarantor or a third person) being declared void or impeached for any reason whatsoever.

Section 4.15 **Standards of Sale.**

Without prejudice to the ability of the Bond Trustee to dispose of the Collateral in any manner which is commercially reasonable, the Guarantor acknowledges that a disposition of Collateral by the Bond Trustee which takes place substantially in accordance with the following provisions shall be deemed to be commercially reasonable:

- (a) the Collateral may be disposed of in whole or in part;
- (b) the Collateral may be disposed of by public auction, public tender, private contract or any other means, with or without advertising and without any other formality;
- (c) any assignee of such Collateral may be the Bond Trustee or a customer of the Bond Trustee;
- (d) any sale conducted by the Bond Trustee shall be at such time and place, on such notice and in accordance with such procedures as the Bond Trustee, in its sole discretion, may deem advantageous;
- (e) Pledged Securities may be disposed of in any manner and on any terms necessary to avoid violation of applicable law (including, without

limitation, compliance with such procedures as may restrict the number of prospective bidders and purchasers, require that the prospective bidders and purchasers have certain qualifications, and restrict the prospective bidders and purchasers to Persons who will represent and agree that they are purchasing for their own account for investment and not with a view to the distribution or resale of the Pledged Securities) or in order to obtain any required approval of the disposition (or of the resulting purchase) of any Governmental Authority;

- (f) a disposition of Collateral may be on such terms and conditions as to credit or otherwise as the Bond Trustee, in its sole discretion, may deem advantageous; and
- (g) the Bond Trustee may establish an upset or reserve bid or price in respect of any Collateral.

Section 4.16 Set-Off.

The Bond Trustee may at any time after the Security shall have become enforceable (without notice and notwithstanding any settlement of account or other matter whatsoever) combine or consolidate all or any existing accounts of the Guarantor whether in its own name or jointly with others and held by it or any Secured Creditor and may set-off or transfer all or any part of any credit balance or any sum standing to the credit of any such account (whether or not the same is due to the Guarantor from the Bond Trustee or relevant Secured Creditor and whether or not the credit balance and the account in debit or the Obligations are expressed in the same currency in which case the Bond Trustee is hereby authorized to effect any necessary conversions at its prevailing rates of exchange) in or towards satisfaction of any of the Obligations and may in its absolute discretion estimate the amount of any liability of the Guarantor which is contingent or unascertained and thereafter set-off such estimated amount and no amount shall be payable by the Bond Trustee to the Guarantor unless and until all Obligations have been ascertained and fully repaid or discharged.

Section 4.17 Dealings by Third Parties.

(1) No Person dealing with the Bond Trustee or an agent or receiver shall be required to determine (i) whether the Security has become enforceable, (ii) whether the powers which such Person is purporting to exercise have become exercisable, (iii) whether any money remains due to the Bond Trustee by the Guarantor, (iv) the necessity or expediency of the stipulations and conditions subject to which any sale or lease is made, (v) the propriety or regularity of any sale or other dealing by the Bond Trustee with the Collateral, or (vi) how any money paid to the Bond Trustee has been applied.

(2) Any purchaser of Pledged Securities from the Bond Trustee shall hold the Pledged Securities absolutely, free from any claim or right of whatever kind, including any equity of redemption, of the Guarantor, which it specifically waives (to the fullest extent

permitted by law) as against any such purchaser, all rights of redemption, stay or appraisal which the Guarantor has or may have under any rule of law or statute now existing or hereafter adopted.

Section 4.18 Risk of Funds.

None of the provisions contained in this Agreement shall require the Bond Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if it believes that repayment of such funds or adequate indemnity against such risk or liability is not assured to it, provided that the Bond Trustee shall, forthwith upon making such a determination, deliver notice of the same to the Secured Creditors and the Guarantor, which notice shall include the grounds for such belief .

ARTICLE 5 CONFLICTS

Section 5.01 Secured Creditors.

(1) The Bond Trustee, as regards the exercise and performance of all powers, rights, trusts, authorities, duties and discretions of the Bond Trustee in respect of the Collateral, under or pursuant to this Agreement or any other Transaction Document to which the Bond Trustee is a party or the rights or benefits in respect of which are comprised in the Collateral (except where specifically provided otherwise), has regard only to the interests of the Holders of the Covered Bonds while any of the Covered Bonds remain outstanding and shall, subject to applicable law, not be required to have regard to the interests of any other Secured Creditor or any other person or to act upon or comply with any direction or request of any other Secured Creditor or any other person whilst any amount remains owing to any Holders of the Covered Bonds.

(2) In connection with the exercise by it of any of its trusts, powers, authorities or discretions hereunder (including, without limitation, any modification, waiver, authorization, determination or substitution), the Bond Trustee shall have regard to the general interests of the Covered Bondholders of each Series as a class (but shall not have regard to any interests arising from circumstances particular to individual Covered Bondholders whatever their number) and, in particular but without limitation, shall not have regard to the consequences of such exercise for individual Covered Bondholders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory or any political sub division thereof and the Bond Trustee shall not be entitled to require, nor shall any Covered Bondholder be entitled to claim, from the Issuer, either of the Guarantor, the Bond Trustee or any other person any indemnification or payment in respect of any tax consequences of any such exercise upon individual Covered Bondholders, except to the extent already provided for in Condition 8 (*Taxation*) of the Trust Deed and/or in any undertaking or covenant given in addition thereto or in substitution therefor hereunder.

(3) If, in connection with the exercise of its powers, trusts, authorities or discretions, the Bond Trustee is of the opinion that the interests of the Holders of the Covered Bonds of any one or more Series would be materially prejudiced thereby, the Bond Trustee shall not exercise such power, trust, authority or discretion without the approval of such Holders of the Covered

Bonds by Extraordinary Resolution or by a direction in writing of such Holders of the Covered Bonds of not less than 25% of the aggregate Principal Amount Outstanding of the Covered Bonds of all Series then outstanding (taken together and converted into CAD at the rate specified in the applicable Final Terms).

Section 5.02 Acknowledgement.

Each of the Secured Creditors hereby acknowledges and concurs with the provisions of Section 5.01 and each of them agrees that it shall have no claim against the Bond Trustee as a result of the application thereof.

- (b) it shall not take any steps for the purpose of (i) recovering any of the Obligations (including, without limitation, by exercising any rights of set-off); or (ii) enforcing any rights arising out of the Transaction Documents against the Guarantor or procuring the winding up, administration or liquidation of the Guarantor or any of its General Partners in respect of any of its liabilities whatsoever,

unless the Bond Trustee, having become bound to take any steps or proceedings to enforce the said security under or pursuant to this Agreement, fails to do so within thirty days of having become bound to do so (in which case each of such Secured Creditors shall be entitled to take any such steps and proceedings as it shall deem necessary other than the presentation of a petition for the winding up of, or for an administration order or liquidation in respect of, the Guarantor or any of its General Partners).

Section 6.02 Subordination.

(1) Each of the Secured Creditors hereby acknowledges that it has received a copy of the Guarantor Agreement and hereby agrees to be bound by the terms of the Priorities of Payment set out in the Guarantor Agreement and this Agreement. - (c) without prejudice to Section 4.01 above, it shall not claim, rank, prove or vote as creditor of the Guarantor or its estate in competition with any prior ranking Secured Creditors in the relevant Priorities of Payments or, the Bond Trustee, as applicable, or claim a right of set-off until all amounts then due and payable to Secured Creditors who rank higher in the relevant Priorities of Payments have been paid in full.

(2) Neither the Guarantor nor the Bond Trustee shall pay or repay, or make any distribution in respect of, any amount owing to a Secured Creditor under the relevant Transaction Documents (in cash or in kind) unless and until all amounts then due and payable by the Guarantor or the Bond Trustee to all other Secured Creditors ranking higher in the relevant Priorities of Payments have been paid in full.

Section 7.02 Sale of the Covered Bond Portfolio.

(1) In the event of any sale of Portfolio Assets by or on behalf of the Guarantor pursuant to and in accordance with the Transaction Documents, such Portfolio Assets shall no longer form part of the Covered Bond Portfolio and the Bond Trustee shall, while any Covered Bonds are outstanding and if so requested in writing by the Guarantor, release, reassign or discharge those Portfolio Assets from the Security on or prior to the date of any such sale provided that:

- (a) the Bond Trustee provides its prior written consent to the terms of such sale in accordance with the Guarantor Agreement; and
- (b) in the case of the sale of Portfolio Assets, the Guarantor provides to the Bond Trustee a certificate confirming that the Portfolio Assets being sold are Randomly Selected Loans.

If a request in writing is made to the Bond Trustee by the Guarantor or any other person to give its consent to any event, matter or thing, then:

- (a) if the Transaction Document specifies that the Bond Trustee is required to give its consent to that event, matter or thing if certain specified conditions are satisfied in relation to that event, matter or thing, then the Bond Trustee shall give its consent to that event, matter or thing upon being satisfied acting reasonably that those specified conditions have been satisfied; and

- (a) to the Covered Bonds of any one or more Series or any of the Transaction Documents provided that the Bond Trustee is of the opinion that such modification will not be materially prejudicial to the interests of the Holders of Covered Bonds of any series and notice of such modification is given to the Rating Agencies prior to such modification becoming effective; or
- (b) to the Covered Bonds of any one or more Series or any of the Transaction Documents which in the Bond Trustee's opinion is of a formal, minor or technical nature or is made to correct a manifest error or an error established as such to the satisfaction of the Bond Trustee, or to comply with mandatory provisions of law. (3) The Bond Trustee shall be obliged to concur in and to effect any modifications to the Transaction Documents that are requested by the Guarantor or the Cash Manager to accommodate the accession of a New Seller to the Programme subject to the provisions of Section 8.02(1) being satisfied and, provided that (i) the Interest Rate Swap Provider and each of the Covered Bond Swap Providers provide written confirmation to the Bond Trustee consenting to such modification of those documents to which they are a party (such consent not to be unreasonably withheld) (which consent shall be deemed to be given by the Interest Rate Swap Provider and each of the Covered Bond Swap Providers (as the case may be) if no written response is received by the Bond Trustee from each party, respectively, by the tenth Business Day after the Bond Trustee's request for such consent) and (ii) the Guarantor or the Cash Manager, as the case may be, has certified to the Bond Trustee in writing that such modifications are required in order to accommodate the addition of New Sellers to the Programme and (iii) all other conditions precedent to the accession of a New Seller to the Programme set out in the Dealership Agreement, the Mortgage Sale Agreement, the Servicing Agreement, the Guarantor Agreement and any other Transaction Documents have been satisfied at the time of the accession.
