- (j) it will not knowingly fail to comply with any legal requirements in the performance of the Cash Management Services;
- (k) it will make all payments required to be made by it, as Cash Manager, solely in its capacity as cash manager, pursuant to this Agreement, on the due date for

- (l) it will not, in its capacity as Cash Manager, without the prior written consent of the Bond Trustee amend or terminate any of the Transaction Documents, to which it is a party, in its capacity as Cash Manager, save in accordance with their terms.

12.2 Duration of covenants

The covenants of the Cash Manager hereunder shall remain in force until this Agreement is terminated but without prejudice to any right or remedy of the Guarantor and/or the Bond Trustee arising from breach of any such covenant prior to the date of termination of this Agreement.

13. SERVICES NON-EXCLUSIVE

Nothing in this Agreement shall prevent the Cash Manager from rendering or performing services similar to those provided for in this Agreement to or for itself or other persons, firms or companies or from carrying on business similar to or in competition with the business of the Guarantor, the Bond Trustee or any other person party to any Transaction Document to which the Cash Manager is a party.

14. TERMINATION

14.1 Cash Manager Termination Events

- (a) If any of the following events (“**Cash Manager Termination Events**”) shall occur:
 - (i) default is made by the Cash Manager in the payment on the due date of any payment due and payable by it under this Agreement or in the performance of its obligations under Sections 4.3 and 4.4 hereof and such default continues unremedied for a period of five (5) Business Days after the earlier of the Cash Manager becoming aware of such default and receipt by the Cash Manager of written notice from the Bond Trustee requiring the same to be remedied;
 - (ii) default is made by the Cash Manager in the performance or observance of its covenants and obligations, or a breach by the Cash Manager is made of any of its representations and warranties, respectively, under Sections 4.1(c), 4.1(e), 12.1(a), (c), (e), (f) or (g);
 - (iii) default is made by the Cash Manager in the performance or observance of any of its other covenants and obligations under this Agreement, and such default continues unremedied for a period of thirty (30) days after the earlier of the Cash Manager becoming aware of such default and receipt by the Cash Manager of written notice from the Bond Trustee requiring the same to be remedied;

- (iv) a rating of the Cash Manager, as applicable, by one or more Rating Agencies, falls below the Cash Manager Required Ratings (unless the Cash Manager obtains an unconditional and unlimited guarantee of its obligations under this Agreement, from a credit support provider which (x) has satisfied the Rating Agency Condition and (y) is rated at or above the Cash Manager Required Ratings by each Rating Agency, within thirty (30) Days of the first downgrade below such Cash Manager Required Ratings by a Rating Agency);
- (v) an Insolvency Event occurs in respect of the Cash Manager; or
- (vi) provided that the Cash Manager is the Issuer or an Affiliate of the Issuer, an Issuer Event of Default (A) occurs and is continuing, or (B) has previously occurred and is continuing, at any time that the Guarantor is Independently Controlled and Governed,

then the Guarantor and/or the Bond Trustee (x) may at once or at any time thereafter while such default continues by notice in writing to the Cash Manager or, (y) in the case of the occurrence of a Cash Manager Termination Event described in paragraph (iv) above, at any time that the Guarantor is not Independently Controlled and Governed, shall terminate its appointment as Cash Manager under this Agreement with effect from a date (not earlier than the date of the notice) specified in the notice; provided that any termination resulting from the occurrence of a Cash Manager Termination Event described in paragraph (iii) shall be subject to the consent of the Bond Trustee, which consent shall not be withheld unless the Bond Trustee determines that such termination would be materially prejudicial to the interests of the Covered Bondholders.

- (b) Upon the occurrence of a Cash Manager Termination Event described in paragraph 14.1(a)(iv) that is cured as provided for therein, the Guarantor shall forthwith notify CMHC of the identity of the guarantor of the Cash Manager's obligations and the ratings by each of the Rating Agencies of the types specified in the Cash Manager Required Ratings of such guarantor.
- (c) Upon termination of the appointment of the Cash Manager pursuant to this Section 14.1, the Guarantor shall use its reasonable endeavours to appoint a Substitute Cash Manager (but shall have no liability to any person in the event that, having used reasonable endeavours, it is unable to appoint a Substitute Cash Manager).

Any Substitute Cash Manager:

- (i) must agree to enter into an agreement substantially on the same terms as the relevant provisions of this Agreement or on such other terms as are satisfactory to the Guarantor and the Bond Trustee, all in compliance with the CMHC Guide and which agreement shall include a covenant of such

Substitute Cash Manager to comply with the provisions of, and perform its obligations under, the CMHC Guide;

- (ii) will be subject to the prior written approval of the Bond Trustee (such consent not to be unreasonably withheld, delayed or conditioned) and satisfaction of the Rating Agency Condition;
- (iii) must have ratings that meet or exceed the Cash Manager Required Ratings from each Rating Agency; and
- (iv) shall accede to the terms of any Transaction Document pursuant to which the Cash Manager is obligated to perform services, including the Intercompany Loan Agreement.

14.2 Resignation of Cash Manager

The appointment of the Cash Manager under this Agreement may be terminated upon the expiry of not less than 12 months' notice of termination given by the Cash Manager to the Guarantor and the Bond Trustee (or such shorter time as may be agreed between the Cash Manager, the Guarantor and the Bond Trustee) provided that:

- (a) a Substitute Cash Manager shall be appointed, such appointment to be effective not later than the date of such termination;

- (e) the Substitute Cash Manager shall accede to the terms of any Transaction Document pursuant to which the Cash Manager is obligated to perform services, including the Intercompany Loan Agreement.

14.3 Effect of Termination

- (a) On and after termination of the appointment of the Cash Manager under this Agreement pursuant to this Section 14, all authority and power of the Cash Manager under this Agreement shall be terminated and be of no further effect and the Cash Manager shall not thereafter hold itself out in any way as the agent of the Guarantor or the Bond Trustee pursuant to this Agreement.

- (b) Upon termination of the appointment of the Cash Manager under this Agreement pursuant to this Section 14, the Cash Manager shall:
- (i) forthwith deliver (and in the meantime hold on trust for, and to the order of, the Guarantor or the Bond Trustee, as the case may be) to the Guarantor or the Bond Trustee, as the case may be or as it shall direct, all books of account, papers, records, registers, correspondence and documents in its possession or under its control relating to the affairs of or belongings of the Guarantor or the Bond Trustee, as the case may be (if practicable, on the date of receipt), any monies then held by the Cash Manager on behalf of the Guarantor or, the Bond Trustee and any other assets of the Guarantor and the Bond Trustee; and
 - (ii) take such further action as the Guarantor or the Bond Trustee, as the case may be, may reasonably direct at the expense of the Guarantor (including in relation to the appointment of a Substitute Cash Manager), provided that the Guarantor or the Bond Trustee, as the case may be, shall not be required to take or direct to be taken such further action unless it has been indemnified to its satisfaction (and in the event of a conflict between the directions of the Guarantor and the directions of the Bond Trustee, the directions of the Bond Trustee shall prevail).

The Cash Manager hereby agrees that it shall have no right of set-off or any lien in respect of such amounts against amounts held by it on behalf of the Guarantor or the Bond Trustee.
- (b) This Agreement shall, except as otherwise agreed between the Guarantor and the Cash Manager, terminate automatically at such time as the Guarantor's obligations under the Covered Bond Guarantee have been discharged and the security constituted by the Security Agreement has been released.
- (c) On termination of the appointment of the Cash Manager under the provisions of this Section 14, the Cash Manager shall be entitled to receive all fees and other monies accrued up to (but excluding) the date of termination but shall not be entitled to any other or further compensation. Such monies so receivable by the Cash Manager, solely in its capacity as cash manager, shall be paid by the Guarantor, on the dates on which they would otherwise have fallen due hereunder and under the terms of the Guarantor Agreement and the Security Agreement. For the avoidance of doubt, such termination shall not affect the Bank's rights, to receive payment of all amounts (if any) due to it from the Guarantor other than in its capacity as cash manager under this Agreement.

- (d) Any provision of this Agreement which is stated to continue after termination of the Agreement shall remain in full force and effect notwithstanding any termination of this Agreement.

Without prejudice to the generality of Section 15.1 above, the Guarantor and the Bond Trustee shall upon request by the Cash Manager forthwith give to the Cash Manager such further powers of attorney or other written authorizations, mandates or instruments as are necessary to enable the Cash Manager to perform the Cash Management Services.

15.3 No Set-Off

The Bank, as Cash Manager, and as Seller, agrees that it will not:

- (a) set-off or purport to set-off any amount which the Guarantor is or will become obliged to pay to it under this Agreement against any amount from time to time standing to the credit of or to be credited to any of the Guarantor Accounts or any replacement or additional bank account of the Guarantor; or
- (b) make or exercise any claims or demands, any rights of counterclaim or any other equities against or withhold payment of any sum of money which may at any time and from time to time be standing to the credit of any of the Guarantor Accounts or any replacement of additional bank account of the Guarantor.

In the event that there is any change in the identity of the Bond Trustee, the Cash Manager, solely in its capacity as cash manager, shall execute such documents with any other parties to this Agreement and take such actions as such new Bond Trustee may reasonably require for the purposes of vesting in such new Bond Trustee the rights of the Bond Trustee under this Agreement and under the Security Agreement and while any of the Covered Bonds remain outstanding shall give notice thereof to the Rating Agencies.

16.2 Bond Trustee Liability

- (a) For greater certainty, the Bond Trustee shall, without prejudice to the obligations of the Guarantor, as the case may be, or any receiver appointed pursuant to the Security Agreement in respect of such amounts, not be liable to pay any amounts due under Sections 10 and 11 hereof.
- (b) It is hereby acknowledged and agreed that by its execution of this Agreement the Bond Trustee shall not assume or have any of the obligations or liabilities of the Cash Manager or the Guarantor under this Agreement and that the Bond Trustee has agreed to become a party to this Agreement for the purpose only of taking the benefit of this Agreement, including the right of the Bond Trustee to agree to amendments to this Agreement pursuant to Section 19 hereof. For greater certainty, the parties to this Agreement acknowledge that the rights and obligations of the Bond Trustee are governed by the terms of the Trust Deed and the Security Agreement. Any liberty or right which may be exercised or determination which may be made under this Agreement by the Bond Trustee may be exercised or made in the Bond Trustee's absolute discretion without any obligation to give reasons therefore and the Bond Trustee shall not be responsible for any liability occasioned by so acting if acting in accordance with the terms of the Trust Deed and the Security Agreement, but without prejudice to the obligation of the Bond Trustee to act reasonably.

22. ASSIGNMENT

22.1 Assignment by the Guarantor

The Guarantor may not assign or transfer any of its respective rights and obligations under this Agreement without the prior written consent of the Bond Trustee and the Cash Manager and satisfaction of the Rating Agency Condition in respect thereof, except that the Guarantor may, without such consent, assign its rights and interest hereunder pursuant to the terms of the Security Agreement.

2. Notification of Determinations

- (a) The Cash Manager may make all the determinations referred to in paragraph 1(a) on the basis that the amount of any losses will not increase and on the basis of any other reasonable and proper assumptions as the Cash Manager considers appropriate (including without limitation as to the amount of any payments to be made or amounts received under the relevant Priorities of Payments during the period from and including the relevant Calculation Date to but excluding the following Guarantor Payment Date).

The Cash Manager shall notify the Guarantor and the Bond Trustee on request of any such other assumptions and shall take account of any representations made by the Issuer and the Bond Trustee (as the case may be) in relation thereto.

- (b) Each determination made in accordance with this paragraph 2 shall (in the absence of demonstrable error) be final and binding on all persons.
- (c) The Cash Manager shall cause that the determinations and notifications required to be made by the Guarantor pursuant to Articles 5 and 6 of the Guarantor Agreement to be made.

3. Pre-Acceleration Revenue and Principal Priority of Payments

On each Guarantor Payment Date, the Guarantor or the Cash Manager on its behalf will make payments directly from the GIC Account (or, as applicable, the Standby GIC Account), or transfer funds from the GIC Account (or, as applicable, the Standby GIC Account) to the Transaction Account (or, as applicable, the Standby Transaction Account), in accordance with Article 6 (Priorities of Payments) of the Guarantor Agreement.

Subject to Section 4.4 of the Cash Management Agreement, prior to a Covered Bond Guarantee Activation Event, the Cash Manager will cause the Available Principal Receipts and Available Revenue Receipts held by it for and on behalf of the Guarantor and standing to the credit of the GIC Account or the Transaction Account, as applicable, to be applied on each Guarantor Payment Date in accordance with the Pre-Acceleration Revenue Priority of Payments or Pre-Acceleration Principal Priority of Payments, as applicable.

4. Other Payments

Subject to Section 4.4 of the Cash Management Agreement, the Cash Manager agrees, and the Guarantor concurs, that (save as otherwise specified below) payments may be made directly from the GIC Account (or, as applicable, the Standby GIC Account), or amounts may be transferred from the GIC Account (or, as applicable, the Standby GIC Account) to the Transaction Account (or, as applicable, the Standby Transaction Account), and the following payments may be made from the Transaction Account (or, as applicable, the Standby Transaction Account) (to the extent that withdrawal of those amounts would not cause the balance of the Transaction Account to become overdrawn) or from amounts held by the Cash Manager for and on behalf of the Guarantor and used on any date:

- (i) if any amount has been received from a Borrower for the express purpose of payment being made to a third party for the provision of a service (including giving insurance cover) to either that Borrower or the relevant Seller (in relation to Loans sold by that Seller) or the Guarantor, to pay such amount when due to such third party or, in the case of the payment of an insurance premium, where such third party and the Cash Manager have agreed that payment of commission should be made by deduction from such insurance premium, to pay such amount less such commissions when due to such third party and to pay such commission to the Cash Manager and to pay any premiums in respect of any insurance policies obtained or

held by the Guarantor in accordance with the terms of the Guarantor Agreement or relating to any Loan comprised in the Covered Bond Portfolio;

- (ii) subject to Section 5.1 of the Servicing Agreement, to pay to any person (including the Servicer) any amounts due arising from any overpayment by any person or arising from any reimbursement by any person of any such overpayment (including, for the avoidance of doubt, where arising from the failure of a direct debit);
- (iii) subject to Section 2.5 of the Mortgage Sale Agreement, to pay when due (but subject to any right to refuse or withhold payment or of set-off that has arisen by reason of the Borrower's breach of the terms of the relevant Mortgage or Loan) any amount payable to a Borrower under the terms of the Mortgage or the Loan to which that Borrower is a party;
- (iv) to pay when due and payable any amounts due and payable by the Guarantor to third parties and incurred without breach by the Guarantor of the Guarantor Agreement where payment is not provided for elsewhere in the Pre-Acceleration Revenue Priority of Payments or the Pre-Acceleration Principal Priority of Payments;
- (v) to refund any amounts due arising from the rejection of any payments in respect of a Loan and any other amounts which have not been received by the Guarantor as cleared funds;
- (vi) to pay to the relevant Seller any amounts owed to the Seller pursuant to Section 8.4 of the Mortgage Sale Agreement; and

Indexation Methodology

The Teranet-National Bank House Price Index™ (the "House Price Index") is an independent representation of the rate of change of Canadian single-family home prices. The measurements are based on the property records of public land registries, where sale price is available. The Teranet-National Bank House Price Index™ Composite 11 (the "Composite 11 House Price Index") is an independently developed representation of monthly average home price changes in the following eleven Canadian metropolitan areas: Victoria, Vancouver, Calgary, Edmonton, Winnipeg, Hamilton, Toronto, Ottawa, Montréal, Québec and Halifax. These metropolitan areas are combined to form the Composite 11 House Price Index, which is the weighted average of these eleven metropolitan areas.

The Indexation Methodology to be employed by the Guarantor will be based on: (a) with respect to Properties located within the cities of Vancouver, Victoria, Calgary, Edmonton, Winnipeg, Ottawa-Gatineau, Hamilton, Toronto, Montreal, Quebec City and Halifax, data provided by Teranet through the House Price Index; and (b) for Properties located in all other areas of Canada, a property value that is adjusted using the Composite 11 House Price Index™, which is calculated as a weighted average of the data for the eleven metropolitan cities included in the House Price Index. The data derived by the House Price Index is based on a repeat sales method, which measures the change in price of certain residential properties within the related area based on at least two sales of each such property over time. Such price change data is then used to formulate the House Price Index for the related area. Details of the House Price Index and the Composite 11 House Price Index may be found at: www.housepriceindex.ca.

A three-step process is used to determine the Market Value for each Property subject to the Related Security in respect of a Loan. First, a code (the Forward Sortation Area (FSA)) which identifies the location of the Property is compared to corresponding codes maintained by Teranet to confirm whether the property is located within any of the 11 Canadian metropolitan areas covered by the Index. Second, to the extent an FSA match is not found, the name of the city in which such Property is located is used to confirm whether such city matches any of the Canadian metropolitan areas covered by the Index. The Market Value is then determined by adjusting the Latest Valuation for such Property, at least quarterly, by the rate of change for the corresponding Canadian metropolitan area, and where there is no corresponding Canadian metropolitan area, the rate of change indicated in the Index, from the date of the Latest Valuation to the date on which the Latest Valuation is being adjusted for purposes of determining the Market Value for such Property. Where the Latest Valuation in respect of such Property pre-dates the first available date for the relevant rate of change in the Index, the first available date for such rate of change is used to determine the rate of change to apply to adjust the Latest Valuation for purposes of determining the Market Value for such Property. Such adjusted Market Value is the adjusted Original Market Value referred to in the Monthly Investor Report.

The Issuer and the Guarantor LP may from time to time determine to use a different index or indices or a different indexation methodology to adjust the Latest Valuation for subsequent price developments to determine Market Value for example, to obtain rates of changes in home prices for metropolitan or geographic areas not covered by the Index, to use an index or indices that the Issuer and Guarantor LP believe will produce better or more reliable results or that is more cost effective.

Risk Factors relating to the Indexation Methodology

The Issuer and the Guarantor LP believe that the following factors, although not exhaustive, could be material for the purpose of assessing risks associated with the use of the Index.

No recourse for errors in the data in the Index

The Issuer and the Guarantor LP have received written permission from the Index providers to use the Index. The data in the Index is provided on an "as is" basis and without any warranty as to the accuracy, completeness, non-infringement, originality, timeliness or any other characteristic of the data and the Index providers disclaim any and all liability with respect to such data. Neither the Issuer nor the Guarantor LP makes any representation or warranty, express or implied, in relation to the accuracy, completeness or reliability of such information or assumes any liability for any errors or reliance placed on such information. As a result, there will not be any recourse for investors, the Issuer or the Guarantor LP for any errors in the data in the Index relied upon to determine the Market Value in respect of any Property subject to the Related Security in respect of a Loan.

The actual rate of change in the value of a Property may differ from the rate of change used to adjust the Latest Valuation for such Property in determining its Market Value

The Index does not include a representation of changes in average home prices outside of the Canadian metropolitan areas that it covers and was developed as a representation of monthly average home price changes in the Canadian metropolitan areas that it does cover. While the Index uses data from single family properties, including detached, semi-detached, townhouse/row homes and condominium properties, it is being used to determine the Market Value of all Properties included as Related Security for Loans in the Covered Bond Portfolio, which may not correspond in every case to the categories included in the Index. The actual value of a Property subject to the Related Security in respect of each Loan may change at a rate that is greater than or less than the rate of change used to determine the Market Value for such Property. This discrepancy may be magnified when the Index is used to determine the Market Value for a Property outside of the Canadian metropolitan areas covered by the Index given factors that affect housing prices may vary significantly regionally from a national average or where the Index is used to determine Market Value for a Property in a category not covered by the Index and whose value is affected by factors that are different from those that affect the value of properties in the categories used by the Index. In addition, the methodology applied to produce the Index makes certain fundamental assumptions that impose difficulties in selecting or filtering the properties that are used to produce the Index due to a lack of information about the properties, which may result in such properties being excluded and may impact the accuracy of the representation of the rate of change in the Index.

The Index may not always be available in its current form or a different Index may be used to determine Market Value for a Property subject to Related Security in respect of a Loan

The Index providers may make a change to the method used to calculate the Index, the frequency with which the Index is published may change (such that the Index no longer meets the requirements in the Guide), or the Index may cease to be available to the Issuer and the Guarantor LP for determining the Market Value of the Property subject to Related Security in respect of a Loan. In such circumstances, the Issuer and the Guarantor LP may or will need to select one or more new indices for determining Market Value of the Property subject to Related Security in respect of a Loan. The Issuer and the Guarantor LP may also determine at any time to use a different index or indices to adjust the Latest Valuation of the Property subject to Related Security in respect of a Loan for subsequent price developments to determine the Market Value of such Property, for example, to obtain rates of changes in home prices for metropolitan or geographic areas not covered by the Index, to use an index or indices that the Issuer and Guarantor LP believe will produce better or more reliable Market Value results or that is more cost effective. The use of any such new indices to adjust Latest Valuation could result in a significant change in the Market Value of the real property subject to the Related Security in respect of each Loan. See "Housing Price Index Methodology - Indexation Methodology".
